WHERE TRAM TICKETS GO

COUNTY. BIG PILES of transit tickets—when you do it like Astrid Bard and Marnie Richards. They use compensating scale to count ETS tickets. Big pan holds thousands of tickets, and small (upper left) pan holds 1/50 their weight. By counting few tickets in small pan and multiplying by 50, number of tickets in large pan can be obtained within extremely close figure. "Just one or two tickets in the large pan will throw the balance out," says girls.

Weighing Sure-Fire Method For True ETS Rider Tally

It's easier to weigh 110,000 customers a day than it is to count 'em.

That's what Edmonton Transit System finds, anyway.

U.S. to Call Air Reserves Into Service

WASHINGTON, Jan. 18.—(UP)—The air force prepared today to mobilize its entire organized reserve strength—as much as 100,000 men—and administration leaders started the big push for Congressional approval to draft 18-year-olds.

An air force spokesman said orders have been drawn to call to active duty all remaining organized reserve and national guard units. There are 38 wings still on inactive duty with from 40,000 to 70,000 men.

In addition there are 25,000 men in smaller "conventional" units who may be called.

The call-up announcement is expected to be issued today, but may be modified slightly.

Proposed Bus Routes Eliminate Street Cars

Outlying bus routes last year cost Edmonton Transit System \$300,000.

With 10 route changes and extensions proposed for this year, the second round of changes, city commissioners proposed that the new routes be eliminated and street cars be replaced by buses.

Commissioners were asked to report on estimated cost of the new routes from 101 street and 74 avenue, up the river bank to 101 street and Macdonald Drive, along which as soon as bridge bus would be opened instead of looping west to 101 street.

Commissioners agreed this new route will eliminate need for Rosedale bus. They also agreed that a gas bus shuttle service should be started along 101 street between bridge and 101 street.

Bonnie Doot route will be revised to end at 82 avenue and 101 street and loop back to 82 avenue, the second bus route should be inaugurated over 101 street bridge, and across downtown bridge to 101 street, in order to remove street cars from city streets.

New route will be operated from 65 avenue and 111 street, east to 101 street, north to 86 avenue, down Waterdale Hill and across 101 street bridge to 101 street, north to 95 avenue, west to 101 street, north

Basketball Bribe Plot Bared in N.Y.

5 Arrested As Star Reports Attempted Fix

NEW YORK, Jan. 18.—(UP)—New arrests were expected today in Manhattan College basketball bribery scandal with police hunting "the biggest guy" behind the fixing of games at Madison Square Garden.

Five persons, including former Manhattan College star player Henry (Frank) Poppe and Jack Byrnes, already were under arrest and charged with bribery in the third such case that has been discovered in college basketball in recent years.

Poppe and Byrnes, tall and athletic ex-captains of last year's Manhattan team, were charged with taking bribes of \$5,000 each to "throw" three games played last year—against Siena College of Loudonville, N.Y., Santa Clara of California, and Bradley University of Peoria, Ill.

And Poppe was charged with the latest attempt at trickery which brought the whole plot to light—the attempted bribery of Junior Kellough, star center of the present Manhattan team.

MORE SUGHT
"The police believe they got the biggest guy yet," disclosed Manhattan's red-haired basketball coach, Ken Norton. "I don't think for the moment the district attorney believes it ends here."

Norton said he was told by assistant district attorney Edward Breslin that Poppe had admitted knowing of other fixed games "by other players and officials in New York and in other cities."

Poppe learned of the fix from the syndicate, said Norton.

Arrested along with the two star players yesterday were Cornelius Kellough, described by police as the "prime mover" in the scheme, and two brothers, Irving and Benjamin Kellough, each of whom has a long criminal record.

All the arrests were made possible, police revealed, by the honesty of the six-foot eight-inch Kellough who went to authorities after Poppe visited him in a campus dormitory and offered him \$1,000 to "fix" Tuesday night's game by losing by 10 points to DePaul University of Chicago.

Detectives instructed Kellough to proceed to go along with the bribe.

MANHATTAN WINS
The Manhattan squad a 62-59 victory. And the gamblers apparently lost their money.

In December, 1949 five men were arrested for trying to bribe David Shapiro of George Washington University to throw a game against Manhattan in the Garden. Like Kellough, Shapiro cooperated with police in capturing the gamblers.

The present case is the only one in which it is charged that the "fix" actually went through.

Bad Cheques Net City Man 9-Month Term
An Edmonton engineer today was sentenced to nine months in jail for passing bad cheques totaling \$185.

John W. Sanderson, no permanent address, committed the offences, six in number, while influenced by alcoholism, said Det. Frank Kingzett in police court.

Price Freeze Due in Week For Yanks

Belt-Tightening Measures Forecast In New OPA Plan

WASHINGTON, Jan. 18.—(UP)—A general price freeze will be ordered in about a week which will set the nation on the path of the controlled economy days of the OPA.

Some prices which have been held recently will be rolled back, perhaps to Jan. 1, a later "freeze" order will follow "stabilizing" prices.

Rationing may follow within five or six months on certain scarce products, a "high government official said. Meat could be among the first items to be rationed.

The government was virtually prepared to put the economy on a belt-tightening course to pay for defense building program.

GO-AHEAD GIVEN
The control move, given a go-ahead last night by Defense Mobilization Charles E. Wilson, came as 1. President Truman said "maximum price controls will be ordered into effect, if necessary, with working order going forward to help the defense drive."

2. Automobile makers said production this year will be cut from 20 to 30 per cent. Production will be cut because more steel and metal will go to defense.

3. The defense department said it plans to buy or contract for \$27,000,000 worth of armaments and equipment up to June 30, 1952. The military gave orders to the defense industry to have to see that the armed forces requirements are met.

4. The price of the steel must be lowered. He said "the law must be invoked. He said it must be used for allocation of materials, for defense, and wages—whatever controls are necessary to prevent inflation, to promote production for defense, and provide a fair distribution of commodities among all our citizens."

5. The question that still appeared unsettled was how far prices would be rolled back under the forthcoming order. One high official said it would not be possible to go back "many days." That indicated Jan. 1.

The official said the freeze will extend all the way from production to consumer. He said the government would be satisfied to hold prices at a fairly level. Max must be lowered. He said it must be used for allocation of materials, for defense, and wages—whatever controls are necessary to prevent inflation, to promote production for defense, and provide a fair distribution of commodities among all our citizens."

Canadian Labor Chiefs Endorse Plan
OTTAWA, Jan. 18.—(CP)—Chiefs of central bodies representing the bulk of Canada's organized labor today drew up a brief asking the cabinet for new price controls and rationing of rent controls.

They also decided to call a February date with Prime Minister St. Laurent and his ministers to get out personally the first joint submission ever made by the four major labor organizations.

Russians, French Confer In Berlin
BERLIN, Jan. 18.—(Reuters)—Russian and French army officers met here today for "talks at the highest level" on yesterday's Russian "invasion of French-occupied territory," according to German officials.

Four lines away on the extreme northern tip of Berlin, armed French and Russian troops confronted each other across a muddy water-logged lane with orders to "stay tight."

Enemy Massing For All-Out Push

By Ernest Hoberchert

TOKYO, Jan. 18.—(UP)—A tank-tipped United Nations spearhead fought its way out of a Communist trap near Seoul late today as Red forces surged south all across Korea for a new offensive.

Reinforced Chinese troops fell upon a strong armored 8th Army reconnaissance patrol about 2 a.m. EST after it had pushed across No-Man's-Land into Kumsangjang, 25 miles southeast of Seoul.

Intelligence and aerial reconnaissance reports said Communist hordes were moving south toward the battle line all along the 140-mile Trans-Korean front.

The patrol commander radioed back to headquarters that his forces were "under heavy pressure" with the Reds trying to flank him in an obvious attempt at encirclement.

Fifth Air Force planes were ordered to the rescue, but low visibility and approaching darkness prevented them from striking. They feared they might attack Allied troops by error.

Now that Communist China has rejected the United Nations appeal for a cease-fire in Korea, it was believed the Reds would not long delay an all-out offensive to push the 8th Army back into the old Pusan beachhead.

ONE PRISONER
The Reds came a radio message reporting that most of the armored reconnaissance units had managed to withdraw from the town. The commander said he had captured and was sending to the rear one Chinese prisoner.

The enemy was believed to have attacked from newly-established positions north and west of Kumsangjang.

The clash indicated that the Communist attack would be a surprise, taking up the slack between their forward lines and those of the 2nd Army in preparation for a new offensive.

The defense had previous contact with Communist forces in the Kumsangjang area was five miles east southeast of the town. Two patrol clashes occurred there yesterday. An unidentified plane dropped bombs on UN positions just south of Kumsangjang late last night.

LULL BEFORE DRIVE
Enemy troops also fired on an American patrol yesterday southeast of Oanh, 26 miles below Seoul, Communist Allied patrol units wounded Chinese soldiers in a house eight miles farther south.

Only two days ago, United Nations troops had walked unopposed through the streets of both Suwon, 10 miles below Seoul, and 17 miles below Seoul, and Kumsangjang.

As the word that the Chinese and Korean Reds were building up along both west and east fronts in the north, their all-out drive to the south.

Hundreds of Allied planes hammered the Reds and trains moving back troops and supplies down both coasts for the next stage in the Communist attempt to drive the United Nations forces into the sea.

Alberta Birth, Marriage Rate Tops In Canada
OTTAWA, Jan. 18.—(CP)—Alberta, expanding rapidly as a result of rich oil discoveries, easily won top honors among the provinces for having the largest increase in marriage and birth rates in the first 10 months of last year.

The Bureau of Statistics showed that Alberta's birth rate rose 87 per cent.

The next highest—25 per cent—was recorded by Prince Edward Island. Smaller increases were reported by Quebec and Ontario.

Statistics Canada showed a drop of 59 per cent in the birth rate. The marriage rate for Canada in the 10-month period dropped 23 per cent, but Alberta reported an increase of five per cent.

U.K. May Recruit African Troops
LONDON, Jan. 18.—(AP)—Informed sources said yesterday Britain has plans ready to recruit 100,000 African native troops to help her armies defend the empire.

They said the first job of the native troops would be to provide close-up support for British units but they would be used in Middle East and Far East battle zones if war came.

HALIFAX, Jan. 18.—(CP)—Defense Minister Claxton arrived here last night on the first stop of a 14-day tour.

First Canuck Soldier Dies In Korea War

By WILLIAM ROSS

MIRYANG, Korea, Jan. 18.—(CP)—The Canadian ground force today suffered their first major casualty in Korea when a soldier of the 2nd Canadian Infantry Division, died of wounds during a mine demonstration.

The soldier's name was withheld pending notification of next of kin.

The soldier suffered the loss of his right hand and forearm and major neck injuries when the mine exploded yesterday during a mine demonstration he was giving to the regiment's company sergeant majors.

BRITAIN'S FIGHT
In the Korean war, the British have engaged guerrilla elements banding for the anti-communist fight, week-end of New Zealand and the wounding of two others.

Soon after a New Zealand soldier, killed in action, was found in a cave in the Korean hills.

Maj. Vincent Lyle of Hamilton, Ontario, was killed in action in the Korean hills.

Maj. Lyle said he believed his men, reinforced by 300 Republic of Korea police, wounded at least three guerrillas.

He added that the operation was continuing. The Canadians were asked recently to clear their South Korean area of guerrillas thought to be lurking in the district.

Riots Protest Ike's Defence Parley In Rome

ROME, Jan. 18.—(AP)—One man was killed and nearly 100 persons injured in Italy and Sicily last night and yesterday as Communist agitators protested Gen. Dwight D. Eisenhower's visit during his plans for Atlantic Pact military defence.

Arriving in Rome from Lisbon last night, the super Atlantic Pact commander in Europe met for an hour today with Premier Alcide De Gasperi, then went on to conference with Defence Minister Rinaldo Ossola and other top officials.

Eisenhower was escorted to his hotel in Rome by a large police force. He was greeted by a crowd of thousands of people who were lined up with armed police.

Flyer's Uranium Strike North Epic

Find Believed 'Richest Ever' Brings Pilot-Prospector Riches

By Stanley Burke

The big payoff is in sight for Edmonton flyer John Nesbitt.

The story of his uranium strike on Lake Athabasca is one of the most amazing stories in the colorful history of northern mining.

It's the story of an airman who went into the bush in his spare time, and staked what appears to be one of the world's richest uranium claims, right under the noses of the experts. Today he's teamed with Gilbert Labine, millionaire discoverer of Eldorado mine, in the new-found Nesbitt-Labine Uranium Development Consortium.

Two years ago, Nesbitt was flying for the government's Eldorado Mining Company, operators of the great Eldorado mine at Great Bear Lake and Eldorado exploration parties were working along the north shore of Lake Athabasca, north of the abandoned mining town of Goldfields.

FORMER PROSPECTOR
The pilot had plenty of time to go into the bush himself and, as a former northern Ontario prospector and miner, he knew what to look for.

The first place the flyer set to work was his pick and shovel was to go into the bush himself and, as a former northern Ontario prospector and miner, he knew what to look for.

The trail lay in a gulley and Nesbitt theorized the gulley lay over a fault or break in the rock in which metal-bearing minerals might be found. His theory was correct. He struck a rich fault.

Having discovered the first fault, the pilot was able to spot another where he found a 1,000-foot vein of rich, or richer, than the first. He asked the ground with full permission of the Eldorado authorities on the job who had already looked over the entire area.

However, there will be no more bonanza struck by company crews. A new regulation prohibits any Eldorado employee from staking claims. Formerly, only geological and exploration men had been so privileged.

So rich was the pilot's strike that he and his partner received \$250,000 plus a production royalty from the Eldorado Company.

NO 'LUCKY BREAK'
John Nesbitt's story sounds like the "lucky break" beyond dreams. Actually, he worked 20 heart-breaking years for his strike.

The story starts back in the early days of the depression when he left his farm and went to work in the gold mines at Kirkland Lake in northern Ontario.

Those were tough years but the kid from the farm managed to make good. Always he dreamed of making his big strike.

When he saved up \$1,000, no small achievement in those days, he headed into the bush as a prospector to make his big bonanza strike.

Two years later he was broke and I was as far from hitting it rich as I could get. I left the farm," he recalled.

"I decided I'd have to get the money," he said. "That way I would be able to cover more ground and get there faster. I'd have the jump on the boys sloping through the bush."

RABBIT HOPS TO DINNER POT

RAY CITY, Mich.—William Burnside, Jr., says he has come up with a new type of rabbit trap.

Burnside was placing basement windows in his home when he saw rabbit tracks leading up to the open window and then jumping away.

"Sure enough," he said, "there was a big fat, very good."

His wife said it tasted very good.

Navy Board Coming Here Next Sunday

A naval selection board, comprised of naval officers from the west coast will arrive in Edmonton Sunday night to select members from the university training division for advanced training in the reserve force.

Seamen in the University Naval Training Division are classed as ordinary seamen and if accepted by the board, are classed as specialist cadets and receive special training.

They can then receive a commission upon completing training.

BOARD MEMBERS
Chairman of the board is Commander Hugh Polton, captain of HMCS Ontario, now at Esquimalt.

Other members of the board are: Commander J. M. Leeming, reserve training commander for the west coast; Instructor-Commander George Anson and Instructor-Lieutenant W. H. Northey.

Selections will be held in HMCS Northey here Monday and Tuesday.

Mrs. Casselman Speaks Monday

Regular meeting of the Edmonton branch of the United Nations Association in Canada will be held in the Edmonton Museum of Arts, 950-102 avenue, Monday at 8 p.m.

The guest of honor will be Mrs. Cora Casselman, a member of the Canadian delegation to the United Nations charter was drawn up in June, 1945.

A panel discussion on "The declaration of human rights and how it is affecting policy" will take place at the meeting.

CITY BOARD PROTESTS HIGH FREIGHT RATES

HIGH DEER, Jan. 18.—Committee No. 3, Gillespie told the Road Board of trade Monday that inequality of freight rates is keeping industries from locating in the city.

He said a number of industries had favored the Red Deer location during the past year but could reach no compromise on freight rates. Charges to Edmonton and Calgary are higher, but in all cases, the cost is higher on shipments to and from Red Deer.

The board went on record in support of any campaign to have the rates established or to introduce zoning as applied in western Canada and at the West Coast.

President R. L. McIvor told the board that President James Martin at Monday's meeting and the remaining new staff officers. Reports were presented by the various committees.

PETITION
A petition signed by 178 ratepayers in the east country was accepted and will be presented to the government by the board of trade. It urges construction of a Class A highway east of the city to Alta through Haynes and Joffre. Corruption and maintenance of this road by the government was supported by J.A.R. Chaput and P. T. Jenner, who pointed to its importance as a market road.

Mr. Jenner urged the board and its members to continue pressing on the municipal district councils of Red Deer and Stettler for construction of roads to the Red Deer River. On completion the government has agreed to install a ferry to open the road between Lacombe and Big Valley. To date the M.D. of Red Deer has received all allocated funds for this road on grounds it is a provincial responsibility.

Lacombe United Hearts Reports At Annual Meet

LACOMBE, Jan. 18.—Annual meeting of congregation of St. Andrew's United Church was held Monday to hear reports of various organizations and to plan for current year.

Rev. H. P. Marston, minister of the congregation, was in the chair and F. E. McLeod was appointed secretary. Reports from the Junior Evangelists, Maple Leaf Evangelists, Y. W. C. C., Trail Rangers, Young Peoples Union, Young Adults and the church choir increased activity and healthy growth.

The Women's Association membership has increased over 100. \$1300 has been raised for various church purposes. Miss Hopkins, secretary of the Sunday School, reported the average attendance has increased by 48. The enrollment is now approximately 200 pupils.

Financial statement of the Board of Stewards revealed all accounts were paid in full and a balance on hand of \$1088. After considerable discussion it was decided to set up a building fund for the purpose of constructing a new hall and Sunday School addition.

Members re-elected to the Board of Stewards were: Don McFadden, Fred Langrock, Fred Stewart, Cyril Rose and Stewart Fraser. New members elected were: K. E. Woodward and L. Trevelan. F. E. McLeod was elected clerk of the church, and O. S. Young, alternate.

The congregation received the resignation of Mrs. C. E. Todd, secretary of the stewards, due to ill health and also the resignation of the treasurer, P. T. Jenner.

Clay tiles manufactured about 1712 were found in the ruins of the colonial governor's palace at Williamsburg, Va. and were in such good condition that they were re-used when the building was restored.

Larger Hospital Area Asked by Delegation

RIMBEY, Jan. 18.—A five-person delegation from Winfield attended the January meeting of Rimby Municipal Hospital Board to present a tentative plan for enlarging Rimby Hospital District to an area north to Breton.

Official figures show the area north of the Rimby hospital district had a total assessment in 1950 of \$1968,870 and a population of 3,507. The Rimby hospital district has an assessment of approximately \$2,000,000 and a population of about 4,000 persons.

Members of the delegation from Winfield had consulted E. E. Maxwell, supervisor of municipal hospitals of the department of public health, and had been encouraged to join the Rimby hospital district if possible rather than build a new hospital. No specific action was taken at the meeting except to discuss the various ways by which the people living north of the Rimby hospital district can attain hospitalization. The proposal to join the district will be possible only if 60 per cent or more of the persons concerned petition in favor of it.

The delegation presented small maps outlining the area which they suggested should be included. This area includes ranges one to nine in townships 45, 46 and 47 and ranges four to nine in township 48. Towns included in the scheme are Breton, Winfield, Pandry, Minnisk and Alder Flats.

Mr. Roemer started taking SARNAK and wrote us as follows: "SARNAK brought me relief within a few days. My poor health had made me nervous and almost afraid to eat. I can truly say now that SARNAK relieved my stomach upset and nervousness. I can now enjoy a good night's sleep and I'm grateful for what SARNAK has done for me."

Mrs. F. Plouffe, Point St. Charles, Montreal, Quebec, is 60 years of age and had suffered with rheumatic pain in the knees and sharp pain in the small of the back. After Mrs. Plouffe had used just one bottle of SARNAK she wrote: "I was in such pain I could hardly do my work and had trouble getting my proper rest. The first bottle of SARNAK relieved my pain, allowed me to do my house work and sleep undisturbed. After suffering for so many years, I don't know how to thank you for what SARNAK has done for me."

Mr. Stanley P. Deater, Deep Cove, B.C., is a retired locomotive engineer and 64 years of age. Mr. Deater had suffered from arthritis pain in both knees and his left hip for seven years until he started to take SARNAK, but here's what Mr. Deater says: "I tried many different kinds of medicine to relieve my pain but nothing helped until I started taking SARNAK. I got relief from the first day with SARNAK and continued taking it because of the good it did me. I feel the least I can do is let you know these facts."

Mrs. C. E. Lyons, Burdett, Alberta, is now 74 years of age and has enjoyed good health, but a few months ago Mrs. Lyons started to suffer from rheumatic and arthritis pain in her knees and legs. Mrs. Lyons tried several things but nothing helped. Here is what she wrote after taking SARNAK: "After taking SARNAK for two months I am free of stabbing arthritis pain. Right from the first two or three doses SARNAK helped me. Now, of course, I wouldn't be without it."

Building Bought
FAIRVIEW, Jan. 18.—W. J. Campbell, postmaster here, has purchased a large new building which will provide the town with much greater post office accommodation. The building is situated a few yards east of main street and has a full basement and stucco front. No one was injured.

REDWATER—School van driven by J. B. Burt was in collision with a truck owned by Prairie Well Services at the intersection of the lane between Main Street and First St. East and Railway Avenue Lane. It is estimated that \$100 damage was done to the school van. No one was injured.

RIMBEY—Miss M. Ella, matron of Rimby Municipal Hospital, since its inception two years ago, was honored at a farewell social Saturday evening.

Miss Ella leaves for Brooks Jan. 25. Dr. Burman, in presenting Miss Ella with a parting gift from her friends, mentioned the fine organization and administrative ability shown by Miss Ella in placing the new Municipal Hospital on a sound working basis.

The blacksmith gets his name for working in iron and other black metals while his opposite number, the whitewash, is so called for his use of white metals, such as tin.

TOP HOLLYWOOD comedians Jimmy Durante and Donald O'Connor team up in Universal-Int'l's "The Milkman," to bring to screen one of finest and hilarious comedy offerings of season, Opening Friday at Rialto Theatre, picture also stars lovely Piper Laurie and beautiful Joyce Holden in leading roles.

Durante, Donald O'Connor Featured In 'The Milkman'

If you don't think the fellow that leaves the milk at your front door leads an interesting life, wait until you see "The Milkman."

The hilarious Universal-Int'l comedy which opens tomorrow at the Rialto Theatre puts Donald O'Connor and Jimmy Durante in the middle of some of the gayest, most non-sensational scenes to hit the screen in many a day.

The two comedians, paired up for the first time in "The Milkman," are expected to have movie fans shouting for more.

CATCHY TUNES
Aided by two of the prettiest actresses to bow on the screen in years, Piper Laurie and Joyce Holden, Durante and O'Connor spin their way through four catchy tunes and a thousand rib-tickling situations.

O'Connor is great in the wacky role of a wealthy playboy who tries to escape hangers-on of the war by becoming a milkman.

Durante, cast as his pal, plays the part of a 32-year veteran along his milk routes. Miss Laurie

HOTEL RATES DON'T INCLUDE MINE RIGHTS

COLUMBUS, O., Jan. 18.—(AP)—Someone has been digging for buried treasure in the Des Moines-Walko hotel.

Silver dollars, imbedded in the cement floor of the old linen room, have been discovered at the rate of two per three a day.

The comedy was produced by Ted Richmond and directed by Charles Barton.

Even the milkmen will love it.

Redwater HSA Hears Speaker

REDWATER, Jan. 18.—Regular monthly meeting of the House and School Association was held in the new high school Monday when several new families were added to the roster of members.

Speaker for the month was Miss J. Lewis of the extension department, home economics branch. Her topic was "Nutrition" for the whole family.

Parents of teen agers were surprised to learn that "hollow legs" are a natural phenomena of all teen agers, and that boys always eat more than girls. Miss Lewis also distributed pamphlets dealing with food preparation and nutrition.

Crewman Killed
KATHINE STATION, Ont., Jan. 18.—CP—Jack Hunter, 35, of Toronto, member of a Canadian National Railway repair gang, was killed yesterday when struck by a freight train engine.

Although it has often meant journeying through snow drifts in January weather, almost every meeting has been well attended.

And Monday night is Farm Forum is becoming a well-known saying.

The meeting this Monday was held at the home of Mr. and Mrs. C. Dorch, with 17 attending. They discussed the problem of "Marketing Quality Produce."

HUSBAND OF CHILD BRIDE FACES COURT

SOUTH BEND, Ind., Jan. 18.—(UPI)—George Ford, 26, who married his brother's 15-year-old step-daughter, today faced a charge of contributing to the delinquency of a minor.

The prosecutor's office filed the charge yesterday on a complaint signed by a juvenile officer.

Juvenile authorities held Ford's wife, Helen, who became her own step-daughter when she married him in Mississippi last month.

PARA JUMPS IN METAL TINS PLANNED BY U.S.

DAYTON, Ohio, Jan. 18.—(UPI)—The air force is experimenting with a scheme to drop squads of soldiers by parachute in huge metal containers that can serve as weather stations or survival kits.

The experiments are being carried out at Wright-Patterson Field at Dayton, Ohio.

The aluminum container is floated down under a 100-foot parachute and has a metal landing skid with a plywood floor. The troops can escape from it by individual parachute if anything goes wrong.

Hardisty Now 40 Years Old
HARDISTY, Jan. 18.—Hardisty celebrated his 40th birthday as a town yesterday.

It was founded in the year 1906 as a village and five years later, due to its fast growth, it became a town. Its first mayor, who at present holds that same position, is Allan Johnston.

However, he has not held that position all these years. For seven years W. G. White acted as mayor, then for nine years H. B. Wood was mayor. All the rest of the time (24 years) Mayor Allan Johnston has held the position.

The town is now putting in a water and sewerage system which will be completed this spring. It is under construction in Haddon, Davis & Brown of Calgary.

Weymouth, Mass.—(UPI)—Swirls of snow blown from a building roof were mistaken for smoke by a passerby, who sounded a fire alarm.

Applicants Queue For Canada Trip

Rush Steps Up Rapidly During Past Few Weeks

LONDON, Jan. 18.—(CP)—Prospective emigrants in the United Kingdom and Western Europe are beginning to queue up in their bid for a chance to settle in Canada.

The rush of applicants, Canadian authorities reported today, has been growing steadily since the Fall of last year, with the acceleration particularly pronounced within recent weeks.

C. C. Wallace, assistant superintendent for the Canadian immigration service in Europe, said the latest drive for new settlers by federal and provincial agencies, "meeting with the most heartening response." Inquiries are coming from interested parties in almost every walk of life, with farmers and artisans predominating.

"If the present flow of applicants continues at the current rate we should have no difficulty achieving our target of 150,000 new settlers in 1961," Wallace said.

He is hopeful that more than 25,000 emigrants will be sent from Britain, which would mark an appreciable increase over the intake within recent years.

Many already assigned to employers in Canada are awaiting passage, but officials expect the real rush to start when the Dominion's assisted-passage plan becomes effective next month.

Wallace estimated that more than 10,000 settlers would be accepted from Ireland during the year. They would be mainly agricultural workers, although other trades would be well represented.

3 Dead, 8 Injured
KINGSTON, Jamaica, Jan. 18.—(CP)—Two men were burned to death, a third was killed and eight seriously injured Tuesday when a truck loaded with gasoline went over a country road embankment near here and exploded.

SENATOR'S TWINS FOOL EVEN DAD

LITTLE ROCK, Ark., Jan. 18.—(AP)—Proud state Senator W. J. Hurst stood his three-year-old twin daughters, Judy and Jeanie, on his desk yesterday to introduce them to the Arkansas Senate.

He pointed to them and called out their names.

Judy promptly told her dad he'd made a mistake.

Red-faced, Senator Hurst reversed his introductions.

Arthur Godfrey On Active Duty

PENNA. COAST, Pa., Jan. 18.—(UP)—Arthur Godfrey, radio and television entertainer who was scheduled to begin a tour of active naval duty today, will report here Jan. 24 instead, the air station announced.

Godfrey, a naval reserve commander, will take a refresher course in jet planes until Feb. 7, after which he may be temporarily attached to Gen. Dwight D. Eisenhower's European staff.

LONDON.—(CP)—Records of the first year of operation of Britain's national health service showed a total of 24,000,000 callers at national insurance offices in the 12 months.

Development Of Atom Sub Seen In Move

WASHINGTON, Jan. 18.—(UP)—An event is about to take place here which observers believe will speed development of the diesel-underwater hull over diesel—the atomic submarine.

Carleton Knapp is quitting his job as deputy general manager of the Atomic Energy Commission. On Jan. 31 he will become assistant general manager of the Electric Boat Co. plant at Groton, Conn.

That and some other things add up, informed sources said, to good news for the U.S. Navy and bad news for anybody that challenges its mastery of the seas.

COST \$40 MILLIONS
The Electric Boat Co. is building a submarine—cost, \$40,000,000—specifically designed to house an atomic engine and to cruise submerged at high speeds for long periods.

The Atomic Energy Commission is working on two nuclear power plants for submarines. A working model of one of them already is under construction at Arco, Idaho.

Development of the second "is going forward," as President Truman reported Monday in his budget message to Congress.

EDMONTON MEMBERS are in majority on Alberta council of Prairie Road Builders Section for 1961. Monte Nigro, executive member; James Anselmo, chairman; Alder Clark, executive, and Howard Tye, executive secretary, are all of this city. Vince Dunne, Calgary member elected to the council at end of PRS convention yesterday, was not present when picture was taken.

LET'S TURN THE SPOTLIGHT: Horsemen who know their turf superstitions will tell you that your horse number was up long before the California speedster received that career-ending broken udder (elbow) in last Saturday's running of the San Pasquel handicap at Santa Anita, Your Host, you see, has four white legs, generally regarded as the equine kiss-of-death.

The saying goes like this: One white leg buy 'em, two try 'em, three white legs go wide around 'em, four white legs do without 'em.

Vancouver skip Matt Sloper recently nailed in the curler's Hall-of-Fame (sic) by scoring his second eight-end. More than 10,000 took in a junior hockey game in Montreal (Canadian vs. Quebec Citadels). No wonder the backers can afford to pay certain of the young men 5000 skins and more a season to keep them out of the hands of the pros at the time.

Venerable Harry Brown (the went overseas with Ira Starn's Superiors 20 years ago, so figure it out), is still going strong on defence for Kimberley Dynamos.

Recent Montreal report had the grizzly Aouettes' Ekimov exchanging uniforms with Edmonton's Ekimov. Linda Berry, This we'd have to bet against for at least 57 reasons. When mounta-chief Lloyd Mangrum edged past previous leader Henry Ransom in the final round of the Los Angeles Open the funny business in labelling the Mangrum winnings as \$2,000 in Ransom money.

LUISE MARSHALL, formerly a stick-out member of the Edmonton Badminton club, plays out of Montreal (Atwater club). She'll compete in the Canadian championships at Quebec, in March.

With a junior Spitzer (Thomas and friends) won nine in a line recently before the spell was broken. Remember Ray Sanders, the Camrose product who played some professional hockey the 1930's? He takes in the odd cent at the Gardens. Southpaw Bill Whyte, one of Calgary Purities in the late and lamented Big Four Baseball circuit, will spring-train with Vancouver Caps of the Western International.

"Jittery Jack" Berry, the local fight promoter, informs that world featherweight champion "Sandy" Saddler has asked him "how much" to come out and fight him. Dunn... Defencemen MacTherion and Gus (The Great) Kyle, formerly well known to Western Canada league fans, can be accused of burning up the National league offensively. MacTherion, one of the Flyers, has yet to turn on the red light, while Kyle has settled for one counter to this point in the 70-game grind.

Muny golf professional Bert Gee, who has gone into voluntary retirement after 30 years of trying to straighten that hook and slice for others, has turned the hole-in-one trick four times. Once he canned his tee shot at the sixth of the Prince Rupert, with opponent Joe Pryke, the picture of a golfing six inches away from the hole on his 11th. When City Hall fathers get around to lining up a successor to Bert Gee at Municipality, they could do much worse than try and wean LeRoy Goldworthy away from his pro job at Jannet's.

Lee Oma, the picture of a golfing six inches away from the hole on his 11th, would take some waiting at that, considering what a hold the Jasper course has on the Goldworthy affections, and vice versa. However the south side resident would be "at home" working in the city and that often counts for a lot. Just a thought.

"Dizzy" Dean, the flagbearer of St. Louis Cardinals' Gas-House of the '30s, will be the next one to get to come in for the Hollywood treatment. Dan Bailey will play the Dizzy one.

Heavyweight Rex Layne, the Utah comrade gradually built up for a shot at champion Ezzard (Double Z) Charles, once accepted a \$400 bid to appear in Edmonton, the opponent of the Canadian titlist. Later the deal blew up... Mrs. Lee Oma, whose husband recently dabbled upwards of 11 rounds with Charles, is suing for no longer carries for her spouse's career. She's asking for a separation, also \$15,000 with which to keep the wolf from nipping at her and Junior.

THE EAR-MUFFS are off today to juvenile hockey at the last minute of the last minute of the last minute (13 seconds past) won for Canadians 4 over EAC Totes. That's troubleshooting with a vengeance, no matter who gets hurt as a result. Former Flyers' captain Hardy, named Tuesday to coach Commercial league All-Stars, is following much the same path as did Frank Coulson in becoming one of the west's top tack mentors. Cousin, too, was a trainer at last.

Max Baer Top Physical Specimen

NEW YORK, Jan. 18.—(AP)—Dr. Vincent Nardello says Max Baer is the finest physical specimen he ever jabbed.

Joe Louis and "Sugar" Ray Robinson are looking "beetroot" before an important fight, he adds, and the most nervous man he's ever seen was Johnny Paycheck just before Paycheck entered the ring with the Bronx Bomber in 1961.

"I've been examining heavyweight champions from Jack Dempsey's time right down to Ezzard Charles, officially and unofficially," the New York State Athletic Commission physician said yesterday. "and I've never seen a man of muscles to compare with Baer."

Champions come and go but Baer is a lasting little man with a pencil mustache, goes on forever, it seems — thinking about the state of the country's gladiators.

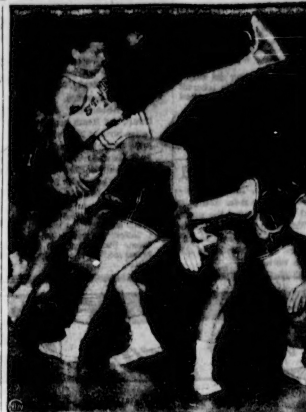

"Baer had the most remarkable physical equipment I ever saw," the doctor added, "but unfortunately he was a player and didn't make the most of it. He should have been heavyweight champion for years."

PHOENIX, Ariz., Jan. 18.—(AP)—A man, J. N. Cooper, 38, of Phoenix, Ariz., suffered critical injuries and 17 race horses perished in a fire at the state Fairgrounds stables here Tuesday night.

GOING for a ride, papoose-style, on the back of Bradley's Gene Melchiorre in game at Madison Square Garden, New York, is St. John's Ronnie MacClivray. Bill Mann (11) and Fred Schletman hustle out of the way. In end Bradley was split by Brooklyn cagers, 68-59.

BAD SITUATION

Point Betting Prompts 'Fixes'

By Murray Rose

NEW YORK, Jan. 18.—(AP)—The point system of betting, which entered the sport scene a decade ago, is the worst thing that has hit competitive sports.

It has been responsible for the many attempts to "fix" games. It has caused ill feeling between college, and it probably has driven a man's coach to quit his job because of pressure to "pull" his rivals.

The point system was started to increase betting on games, especially college, and it probably has driven a man's coach to quit his job because of pressure to "pull" his rivals.

In this case, Yale would be made to play in the East. Yale would be made to play in the East. Yale would be made to play in the East.

Consider the millions of dollars wagered daily in the U.S. and abroad. The foulest thing about the point system is that it tempts one to cheat.

"Look, kid, you can make \$500 and you don't have to use this thing," says a coach to a player.

"So the player can win both the game and the money. He doesn't have to throw the game."

Point betting now is the only way you can bet on most basketball, football and hockey games.

SURPRISES IN CROSBY EVENT

Byron Nelson Hit Jackpot To Win 12 Straight In '45

By WHITNEY MARTIN

NEW YORK, Jan. 18.—(AP)—Byron Nelson, who has been more concerned lately with driving than golf, yesterday hit a jackpot, winning 12 straight in a 19-hole tournament, which would prove something or other.

We aren't sure just what it proves other than that once a player has been in a National Open championship, that was it.

He was mechanically perfect, so unimpeachable as to have broken, so modest in victory and so graceful in defeat that he won the admiration of everyone.

Bad breaks he had in plenty, one of which cost him a National Open championship. That was at the state Fairgrounds stables here Tuesday night.

CANADIENS TO HONOR HOCKEY IMMORTALS

MONTREAL, Jan. 18.—(CP)—"Newy" Lalonde, Mike Grant and Joe Malone, three of Hockey's all-time greats, will be honored by Montreal Canadiens tonight. They will be presented with their Hockey Hall of Fame scrolls before the Toronto-Canadiens National Hockey league game.

Reinhart Is Point Ace

Boss Reinhart, smooth skating Boss Bowling Allyn, center leading scorer in South Side Bantam Hockey league play, according to official statistics released yesterday.

Reinhart has scored for 12 goals, seven more than his closest rival and teammate, Mel Olson. He also has led the team in assists with six for a total of 18 points earned in five games.

Olson, Mike McDonald and George Kirkwood, each with six points, are tied for second place.

Merces Thump 'Liners 11-5

Coach Jimmy Graham's Mercurys spotted Sparling Pipelines an early two goal lead, then roared from behind to snatch an easy 11-5 victory in an Intermediate Hockey league game played at the Gardens last night.

It was Mercurys seventh victory without a loss. They are "miles" out front in the three-team pennant chase.

Four straight goals by Merces in the second period, without reply, turned the tide after the teams had battled to a 3-3 draw in the opening 20 minutes.

Jack Davies, Bob Watt, a pair, and Bill Daves were the marksmen as Mercurys took command in the middle period.

In all it tallied three times during the course of the game, with other Merces markers going to Al Purvis, Frank Morris, Harry Allen, Earl Maher, Walter Hoyte and Jerry Dae.

Dahl, Schultz, Schofield, Johnson and Gault were second place Pipelines' successful linemen.

Canadian Action On China Near

League of Nations Pattern Recurs Regarding Sanction

OTTAWA, Jan. 18.—(UPI)—Canada appeared today to be ready to swing its weight behind a move to condemn Red China as an aggressor for intervening in Korea.

Government sources said the Canadian delegation to the United Nations would urge that whatever action is taken at Lake Success be enforceable and practical.

Diplomatic officials in the capital pointed out that the United Nations now stood where the League of Nations stood in 1935. Resolutions passed at Geneva at that time imposed sanctions on Italy for its invasion of Ethiopia.

"But the words curtail the action," one high official said. "When it came to putting the sanctions into effect, the nations weren't ready to act."

CAUTION EXPRESSED

At the same time, external affairs minister Lester B. Pearson who will return to New York early next week to head the Canadian U.N. delegation, was expected to propose that the U.N. "act with caution."

He was understood to be opposed to "too many resolutions." Some sources doubted that Canada would give wholehearted support to the renewed United States proposal to brand Communist China as an aggressor. In addition, Pearson was known to be opposed to extending the Korean war to the Chinese mainland.

"Condemnatory action," which he suggested, "would not change the military situation in Korea," he said.

Services Held For Bashaw Man

BASHAW, Jan. 16.—Funeral services were held Thursday afternoon in the Swedish Baptist Church, Water Glen, for William Sandin, farmer of the Manfred district.

Mr. Sandin died unexpectedly at his home here. He came to the district in 1909 and had farmed with his brother David who predeceased him several years ago.

He is survived by one sister, Mrs. Ruth Thomas of Edmonton; three brothers, Gideon of Minneapolis, John of St. Paul, Minn., Reuben of Edmonton.

Mr. Sandin, member of the Bashaw Masonic Lodge, was given full Masonic funeral honors. Interment took place in the Swedish Baptist cemetery. Bowker and Bacon of Ponoka were in charge of funeral arrangements.

Loggers Idle In Storm's Wake

VANCOUVER, Jan. 18.—(UPI)—Loggers are pouring into town from Vancouver Island, where heavy snows have suspended forestry operations.

More than 300 woodsmen arrived last night by boat from Nanaimo, B.C., the second vessel within three hours to disgorge its cargo of "snowed-out" loggers here.

TODDLER'S TOY CAUSES FURORE

JACKSON, Mich., Jan. 18.—(AP)—Two-year-old Bruce Oldenburg caught his head in a toy and fell yesterday. The youngster began gasping for breath. His mother, Mrs. Arthur Oldenburg, twisted the pull enough to permit him to breathe. Furores were summoned. With tin shears, they freed little Bruce. He had only a few scratches.

RIMBEY, Jan. 18.—Building permits issued in the Town of Rimbey during 1950 totalled over \$27,500. The Municipal District of Ponoka constructed a machine shed, and a new garage, an addition to a lumber yard and numerous new dwellings and alterations went to make up the total of the permits issued.

OVER SCOLDING

Masters of Hunt Rally To Protect the Princess

LONDON, Jan. 18.—(AP)—Britain's top fox hunters lined up today to defend Princess Margaret's attendance at a fox hunt.

"Those who make the most vigorous protest against hunting with hounds are those who know the least about it," James Fitzwilliams, secretary of the Masters of the Fox Hounds Association, said.

The Princess had been rebuffed by the executive committee of the league against cruel sports because she "followed a hunt of the Pymbley Foxhounds Jan. 6 in a motor vehicle." The committee said the sport "is regarded by quite half the people of Britain with absolute loathing and abhorrence by reason of its inherent cruelty to the unfortunate animal involved."

Project Strikebound

BRINCEVILLE, Tenn., Jan. 18.—(UPI)—Work on a radar unit being erected to help protect the nearby Oak Ridge atomic energy centre from air attack has been halted for three days by a strike of 35 construction workers.

AFTER 20 YEARS FIREBELL STILL SCARES VETERAN

FORT WORTH, Tex., Jan. 18.—(UPI)—Veteran Fireman H. R. Heath was polishing off a T-bone steak when the alarm bell sounded.

The T-bone awoke into his throat, and Heath gasped and began turning blue while fellow firemen pounded his back. He was rushed to a hospital, but doctors couldn't reach the bone with forceps.

The bone came free at last when Heath was given an injection which made him violently sick.

"After 20 years on the force, that darn bell still scares me," he sheepishly admitted.

Blood, Hospital Space Short In U.K. Epidemic

LONDON, Jan. 18.—(AP)—The unprecedented amount of illness in Britain has caused two serious shortages, in blood and in hospital space, doctors reported today.

A group representing 6,000 London doctors said that one of every three emergency cases is being refused admission to hospitals.

The director of a regional blood transfusion service sent out an SOS for blood, declaring 300 hospitals in the area north of London are short of it.

The London local medical committee made three recommendations to alleviate the shortage of hospital space.

Beta Sigma Sweetheart Ball Soon

February's friend Cupid will direct his golden arrow at one pretty girl the eve of Feb. 9.

On that date Beta Sigma Phi sorority girls will crown their queen at an annual "Sweetheart Ball".

Party, a semi-formal affair, will take place at the Trocadero ballroom where Valentine hearts in flowers will deck the stage.

Dance convener Mrs. Donald Hoyer will announce names of judges for the queen contest later. She said chapters are in throes of choosing their queens-elect this week.

FLORIDA SUNSHINE shone on Hon. Chief Justice George R. O'Connor and Mrs. O'Connor during a six-week holiday jaunt.

They returned to their Edmonton home and the winter weather at the weekend.

DATE FOR ANNUAL card party to be held by Ladies' Royal Lawn Bowling Club was set at a recent meeting.

Party will be held at IOOF hall, 100 street, Feb. 1 at 2:30 p.m.

Whist and bridge will be played.

WEDDING BELLS rang at twilight-time last night for Seyoum Olum and David Pyre.

They were wed at St. Joseph's Cathedral in a traditional ceremony.

A story-book romance is woven around the young couple. Seyoum, a student of the University of Toronto, is a millionaire at the age of 28, and but a few months ago professed to have "absolutely no interest in women."

NEW YORK, Jan. 18.—Passengers from Edmonton who will be sailing on the Caribbean cruise on the Empress of Scotland tomorrow will include Mr. and Mrs. E. H. Weiss and Miss Diane Weiss.

Mr. and Mrs. C. P. McLaughlin, who will be aboard the holiday ship.

Stories Involve Giants in Cakes

Proving that small fry are not the only ones who like their goodies the story of "The Woman Who Wanted All the Cakes" will be told at public libraries this week.

"The Giant of the Black Mountains" will be the other tale told by Miss Alita Vitke at South Branch library at 4:30 p.m. and at main branch Saturday at 10:30 a.m.

over 1948 figures, said Miss Bremer.

Mrs. G. E. Kitchen submitting her president's report spoke of her pride in what the Victorian Order had accomplished in this community.

"fortunate indeed are we" said Mrs. Kitchen "to have as our auxiliary the Club Victorian. An organization composed of twelve energetic young matrons who keep the well known 'little black bag' of our nurses well stocked with all requisites."

Report of Club Victorian was given by Mrs. W. K. Agnew who named 1951 club executive as Mrs. C. C. Wentworth, president; Mrs. C. K. Kowalew, vice-president; Mrs. H. McMurray, secretary; Mrs. H. A. Smith, treasurer, and Mrs. H. Chisholm, social convener.

Secretary's report was given by Mrs. E. Worsfold.

All officers were re-elected for 1951. They are Mrs. G. E. Kitchen, president; Mrs. A. W. Hardy, second vice-president; Mrs. E. W. Worsfold, secretary; Mrs. R. V. Davies, treasurer.

SING-SONG SESSION started merriment yesterday for Friendship Club elders who were treated to a special movie at Garneau Theatre, Edmonton Theatre Managers were hosts for affair arranged by Mrs. Leo Naubert. Song-leaders Mrs. Douglas Wilson and John Brown led fun from stage before show's start.

Elizabeth House Guild Hears Home Improvements

Elizabeth House improvements during 1950 were listed at the fifth annual meeting of the Elizabeth House Guild recently.

J. E. Forbes was re-elected president, when the group met at All Saints parish hall, Bishop W. F. Barfoot presided at the meeting.

In her report of the past year's activities Mrs. Forbes said grounds of the home were landscaped, fenced and flower-vegetable gardens planned.

Cement patio and sidewalks were laid and lattice-bulk Linoleum, household linen and furniture were added to the interior of the home. Extra equipment included garden tools and laundry materials.

Elizabeth House is a non-profit, non-sectarian home affiliated with the Anglican Diocese of Edmonton.

Tea was served at the conclusion of the meeting when Mrs. W. F. Barfoot, Dean J. Grant Sparring and Mrs. Sporking, Sister Anna were guests of honor.

Tea convener was Mrs. C. E. Ross. Other officers named to executive posts included Mrs. J. A. L. Smith, first vice-president; R. P. Lefroy, second vice-president; Mrs. Hector Kennedy, secretary; Mrs. C. F. Barnard, treasurer.

Honorary officers are Mrs. Frank Ford, vice-president.

Advisory committee members are Mrs. P. L. Dehney, Mrs. C. D. Brown, Mrs. C. E. Ross, Mrs. G. Kowatt, Mrs. W. G. Hinds.

Committee convener is Mrs. R. Marshall, finance; Mrs. P. L. Dehney and Mrs. P. L. Dehney, furnishings; Mrs. W. G. Hinds, telephone; Mrs. C. Ross, flower fund.

Local Skaters' Chances For Stardom Comes Feb. 16

By Barbara Fossick

Silver skates of young Edmontonians can be their key to the world, according to Lillian Carson, publicity agent for "Ice Cycles."

From Pittsburgh, Penn., Miss Carson is in Edmonton to prepare for Feb. 12 opening of the international "Ice Cycles" exhibition.

With constant need of young skaters, company executives will audition local talent Feb. 12, 13 and 14 at a place in the show.

Arranging auditions is just one phase of Miss Carson's "absolute" (fascinating) job which takes her over 18,000 galls of the continent each year.

As an experienced traveller she has found many ways to conserve luggage space yet maintain the band-box appearance of the smart business woman.

NYLON A BOON

She feels nylon is an absolute boon for the girl traveller and makes sure that all her "necessaries" are of that material.

"I do try to save space," she said, "but I don't mind carrying a few extra things. I don't mind carrying a few extra things. I don't mind carrying a few extra things."

Confessing to being a "gadget girl" one dear possession is her three-way handbag or "pocket book."

At first glance one sees a large handsome bag of maroon alligator skin but with the turn of a flip it is transformed into a navy blue corded affair, then with one more switch a plain black purse is all set to go.

TIME FOR HOLIDAY

Corner of one suitcase is reserved for the box of paints Miss Carson constantly carries with her. Away from her home in Pittsburgh her facile pastime is painting in oil, in gouache, in watercolor, in which she indulges at every free moment.

Following her preparations for the reception of the 160 performers Miss Carson will leave for eastern Canada, finally making her way to Montreal, N.B., where the tour will end.

Included in the tour is Edmonton's Janet Matheson who took part in the widely acclaimed show at Vancouver, four. Miss Matheson will perform in spectacular ice ballet which opens the presentation.

King Edward Park Sleight Ride Fun For Friday

Brisk weather and sleigh-riding will be a winter setting for King Edward Park Friday.

A sleigh-ride and dance is planned for the young couple. Sleights will leave the community hall at 8:30 p.m. and return to the hall for dancing at 9:30 p.m.

If the mercury drops below ten degrees below zero, the sleigh ride will be cancelled and the regular Friday night dance will take its place on the agenda.

On cool summer nights when a blanket is too heavy for comfort and a sheet too light, try spreading on a second too sheet for that needed extra warmth.

Mrs. Cunningham Named New-Term Kiwanis Pres.

Highlighting successful projects of the past year annual committee reports of Kiwanis Ladies' Club were given at recent meeting.

Special mention was made of the club-sponsored C. Woodward Fashion Show, membership tea at Strasser hall, rummage sale in May, annual tea and sale of home cooking in June, Kiwanis men's luncheon, and assistance given Kiwanis men on Apple Day.

Mrs. L. W. White received the reports and as retiring president rolled Mrs. A. Cunningham 1951 president to office.

Other officers installed were Mrs. H. Macdonald, first vice-president; Mrs. B. B. Burrows, second vice-president; Mrs. J. J. Robertson, corresponding secretary; Mrs. W. G. Strachan, social convener; Mrs. W. D. Newby, friendship; Mrs. H. H. White, home; Mrs. C. Montell, membership; Mrs. E. E. McEwen, correspondence; Mrs. J. J. Webster, press; Mrs. H. A. Scott, program; Mrs. H. M. Cullen, awards.

Comforts were provided for Kiwanis children's home during the Christmas season.

Donations were made to Winnipeg Flood fund, Edmonton Central Play Club, Poppy Day fund, Rev. J. T. Stephens Christmas relief fund. Gifts were also sent to children and staff at Kiwanis home.

Expressing appreciation of members for work of the past year's executive gifts were presented by Mrs. H. Scott to Mrs. White, Mrs. C. Macdonald, Mrs. B. B. Burrows and Mrs. C. Montell.

New business was discussed in

NEW president of Kiwanis Ladies' Club is Mrs. A. Cunningham who was elected at recent annual meeting. Reports of year's work were received by retiring president Mrs. L. W. White.

Flexible Colors For Milady's Eyes Available in '51

Color of her eyes to match her dress.

Latest word from the Paris fashion world is that fashion leaders have teamed up with scientists to make it possible. You can change your eyes from a lustrous brown to a dazzling green, or from hazel to grey to blue. Just like changing your rings.

The secret lies in a series of contact lenses. A complete set of color-lenses costs around one-hundred dollars.

Michelle Morgan, French movie star, used the lenses in a series of color pictures for a French magazine, she put on lenses that made her eyes brown when she wore a red dress and hazel to go with a yellow dress.

London Shoppers Grimly Determined To Find Bargains

LONDON.—(CP)—London's January sales opened during the worst blizzard since 1947, but bargain-hunters refused to be daunted.

This year's sales crowd had grim determination and purpose to beat the promised 50-per-cent increase in wool prices and lay in a store of household linens and kitchen utensils, in case of shortage.

Rush for household linen far outweighed that for clothes and an Oxford Street store official said that, in 50 years, he had never seen a bigger crowd of bargain-hunters.

Biggest disappointment for most householders was the absence of unwrapped blankets. These were snapped up before the special sales following announcement of a 65 per cent price-rise scheduled for January.

Many housewives bought pots and pans at normal prices, forced into panic-buying by metal shortage. There was almost a "war rush" on other articles despite the board of trade warning that stockpiling was the only thing likely to cause shortage in kitchenware.

Doll Collection Heart's Answer To Child's Prayer

MONTREAL.—(CP).—There's a huge, rambling home in suburban Westmount in which any small girl would be delighted to get lost.

It holds a collection of 400 dolls from more than a score of countries gathered over many years by Mrs. Norah Macdonald.

They vary in size from four nationally-dressed five dolls to a large married beauty of the 18th century, made of bone and which must be shied from both cold and heat at all times.

The collection was gathered by Mrs. Macdonald in travels through Africa, Mexico and other countries and by her friends who added to it.

Bonnie Doon Busy With League Activity

Community League activities are going full blast in Bonnie Doon this week.

A whist drive has been planned by Ladies' Auxiliary to the league. Guests will be welcomed at Inter-faith School Friday at 8 p.m.

A fancy-dancing show will be held at the community rink Sunday at 2 p.m. Proceeds from the show will be used for sports equipment.

Building committee of the league reported at a recent meeting that current drive for community hall fund is progressing.

Starched Stiff

If you like your clothes starched good and stiff, make sure they're dry when you starch them. It takes a thicker starch to starch wet

Do You Know?
Try this trick for ridging your bedroom walls and windows of grime.
Before tackling them with the conventional soap-and-water scrubbing, give them a steam bath to loosen the dirt.
This is easily done by closing the door and window and allowing the room to fill with steam from the hot water faucet.

Joan Wilson Weds Airman In Pretty Home Ceremony

KILLAM, Jan. 17.—As soft strains of wedding music filled the home of Mr. and Mrs. Herbert Wilson, their daughter Joan Kathleen entered the living room to become the bride of Paul Ernest Widmer, RCAF.

Rev. M. M. MacLean performed the double ring ceremony in which the bride was given by her father.

She wore a gown of white brocade satin featuring a net yoke trimmed with pearls and lace. Her chapel veil was held by a beaded tiara.

Red roses and white baby chrysanthemums cascaded to form her bouquet. Her only jewelry was a double strand of pearls.

Miss Margaret Wilson attended her sister in pale blue tulle and lace with matching chapel veil. She carried a bouquet of pink carnations and blue lilies.

Bridegroom, who is the son of Mr. and Mrs. A. Widmer of Sevenoaks, was escorted by her bridesmaid.

Young couple later left for Edmonton where they will make their home. Bride travelled in navy suit with grey accessories and navy top.

Reception, which was held at the home of Mr. and Mrs. A. Widmer, was attended by many guests.

Persons, was attended by Maurice (last).

Mrs. MacLean played wedding music and accompanied her daughter who sang O Perfect Love.

Mrs. Wilson received her guests in an afternoon dress of green nylon tulle complemented with red rose corsage. Mrs. Frederick Martin received for the bridegroom.

Embedded in pink tulle, a decorated wedding cake centred the bride's table. Tall white candles stood on either side.

Mr. MacLean proposed the bride's toast.
